Hope
cures
24TH INVITATIONAL

July 2023

To family and friends,

When I look back at the past 24 years, it is amazing to see the amount and pace of progress in the fight against cancer. Although the disease continues to indiscriminately impact millions of people, the outcomes are improving. More and more individuals are surviving and living with cancer. This is obviously not our end goal, but we are getting closer.

We have played an active role over the years via the BK Invitational by funding opportunities that have further fueled the advancement of cancer research & patient care at The Fred Hutchinson Cancer Center & The Penn State Cancer Institute. Here are just some examples of what we have funded:

- Rising stars in the medical field by providing them with seed \$ to initiate their research
- The advancement of Immunotherapy
- T-Cell Therapy
- Supporting Data Science
- Involved with mRNA clinical studies
- Helping to fund targeted radiation equipment/treatments

Please join us for the 24th Annual BK Invitational as we continue to create hope for others! This year's tournament dates are Sunday, October 1st and Monday, October 2nd. Thank you for your contributions and participation over the years – YOU make the difference!

Our shared mission of striving for more effective means to prevent, diagnose & treat cancer gives me hope for the future. Thank you again for your generosity. I am excited to continue to move forward on this journey with you.

Sincerely,

Bob Kiesendahl
BK Invitational Chairman

STEP #1 SPONSORSHIP LEVEL

Yes, we would like to participate in the tournament at the following sponsorship level:
